Protect yourself with AFT's identity-theft benefit

The Marriott hotel chain had a [data breach of 500 million records](https://www.cnn.com/2018/11/30/tech/marriott-hotels-hacked/index.html) (https://www.cnn.com/2018/11/30/tech/marriott-hotels-hacked/index.html) related to customers who stayed at Starwood hotels and resorts going back as far as 2014. It's a powerful reminder that we live in a world where securing your data has never been more important.
