

Modernizing Communication and Visible Solidarity

As we move forward with our spring negotiations, the East Aurora Council is hitting key milestones in member engagement and transparency.

Key Achievements & Highlights:

- **Hustle Mobile Rollout:** We have successfully launched a "no sign-up" mobile alert system, ensuring 100% reach for real-time updates during critical negotiation windows.
- **Bilingual Accessibility:** To ensure every member is heard and informed, all primary bargaining resources, including **Contract Bulletin #1** are now available in English and Spanish.
- **The Sea of Blue:** Our members have shown incredible solidarity by wearing union blue during recent negotiation dates. This visual support is vital in showing the District's Table Team that we stand firmly behind our negotiators.
- **State-Level Advocacy:** We are currently supporting the [IFT's People Over Profits petition](#), fighting for fair funding and essential services at the state level. Here's more information on that initiative: [IFT Fair Funding](#)

Upcoming Negotiation Dates:

Mark your calendars and wear your blue on **March 17, March 26, April 10, April 17, and April 23.**
